SELECTMEN HAVE TWO- HEADED

ABATEMENT PLAN

A week ago last Monday the Board of Selectmen announced that the meeting scheduled for Oct. 1st would discuss only Abatements for Street Betterments.

The Board met Monday. Stanley Webber, principal assessor, had been doing his homework, and was able to answer any question put to him by the Selectmen.

On the other hand the Town Manager, Cecil Lancaster, was obviously unprepared.

Four or five times, when asked a question, he would open his mouth and say 'I think'. Then he would close his mouth and say nothing.

The Selectmen started the evening by reviewing their actions of April 21, 1958. On that day they voted that the homeowners of Lawrence Street be charged for 75% of their frontage, in cases where the street was being built both in front of a home, and to one side.

In other words a homeowner on Lawrence, with 100 foot frontage on a street being built on Betterments, and a 100 foot side yard would have to pay for 50 feet of that side yard, if that street, too were done on Betterments.

So the Selectmen got down to cases, on North Street, Linda Road, etc.

They discussed the problems for over half an hour, with Cecil every now and then opening his mouth and saying 'I think'.

Finally Cecil had an idea. Bright eyed and smiling he strode out into the Town Hall, from the Meeting Room, and called the Chairman of the Water Commissioners, to find out what the Water Commissioners did.

He returned all smiles, with the answer he could have got any time last week.

The Water Commissioners, he announced, abated one house lot, depending on the zoning, on streets where water is in front, and where water is laid on the side street. Solemnly the Selectmen nodded. This was, without a doubt, the finest Town Manager Wilmington had ever had!

So they proceeded on that basis, and voted abatements for the first 100 feet in the 100 foot zones, etc. In other words, the people living on the corners, if their lot was 100 or less feet deep would have their bills entirely abated.

But just wait until Lawrence St. residents hear about that!!

MIDDLESEX CANAL ASSOCIATION MEET

The first annual meeting of the Middlesex Canal Association, organized this summer, for the purpose of preserving and restoring the old Middlesex Canal, is to take place Saturday at 2 pm in the Unitarian Church, in Billerica.

After a short business meeting a chartered bus will provide a tour of the best preserved sections of the Canal in Billerica and Wilmington, returning to the 'Old Richardson Tavern' for refreshments at 4:30 pm.

The aims of the Association are to attempt to secure for public use, for recreation, hiking, riding, boating and historical preservation the remaining sections of the Canal. It is the hope of the Association to eventually establish a museum, run a horse-drawn barge, at least for children, along some part of the Canal, and try to persuade the National Parks Service to designate the area as a National Historic Site.

The Association has two classes of membership, depending on the interest of the individual. Proprietors have full voting and office holding rights and pay annual dues of \$10; Members have all the rights and privileges (including attending and speaking at meetings, and making use of all the facilities acquired by the Association), except the right to vote and to hold office, and Membership dues are \$2.

President of the Association is Arthur I. Eno Jr of Billerica, and the address is: Middlesex Canal Association, 36 Concord Road, Billerica, Mass.

LANCASTER'S NOTICE HITS STRANGE NOTE

To the obvious distress of other Selectman, Selectman Nicholas De Felice, Monday night 'told off' the publisher of the Town Crier, as a part of the notice by Cecil O Lancaster that he had accepted a City Manager's job.

The city is Haverhill, but Lancaster did not mention it. It has been without a City Manager for about 8 months. The upper limit of a City Manager's salary in that city has been recently upped to \$20,000.

Lancaster took advantage of the resulting conversation, after he had announced that he was to report to his new position on Oct. 22nd to get Mrs Drew to agree that there had been no scandal in his private life. Mrs Drew agreed with the TM, and the two persons were getting along famously.

Hit the Pocketbook

De Felice then interrupted in a strange almost neurotic harangue in which he castigated the publisher of the Town Crier thoroughly. Three times De Felice used the words "Poison Pen" as he declared that the publisher was incapable of making an apology, that it was not the publisher but the Town Meeting who have saved the town \$800,000, that he himself (De Felice) had never been found guilty in court of operating an illegal dump in Wilmington.

De Felice boasted, in one part of the harangue that he had hit "His (the Town Crier Publisher's) pocket book, and also stated that the Town Crier had not found a \$20,000 error in the Town Budget (it was \$38,000, ED)

Selectman John Brooks, obviously distressed, attempted several times to get De Felice to stop. The harangue lasted about five or six minutes.

WILMINGTON MAN IS SUICIDE

A Wilmington man, 28 years old, took his own life about 2 am Wednesday, in the gravel pit on Abigail's Island, behind the town's Highway Department building, off Andover Street.

The body was discovered, in the front seat of a sedan, about 10:30 am Wednesday by Joe Cunningham and Percy Cornish, employees of the town's Tree Department, who had gone to the island to dump a truckload of branches for burning.

The man was identified by his wife. He was 28 years old, and leaves three children. Police ruled that he had shot himself in a fit of despondency. The death weapon was a 22 pistol, and he had shot himself through the right temple. A resident of the Silver Lake area, the Wilmington police requested that his name be not made public.

The discovery was made at a time when the entire Wilmington Police Department, with the exception of a few men who are attending school were in the Police Station, to receive their pay-checks, with the consequence that the entire police department responded for the call.

BE FAIR UNTO OTHERS

Selectman De Felice, because he wasn't con-
victed in court, considers himself innocent of
any illegal dump operations in Wilmington.

The Town Crier, of course, has never named
the person who owned the land, just as it never
named the person to whom the "Thank God" remark
was made - for who wants to injure a person who
might be presumed to be an innocent by-stander?

But Mr. DeFelice seemingly does not under-
stand fair play.

A week ago Monday he asked for, and received
the boon of an "Executive Meeting" of the Board
of Selectmen.

It turned out that he wanted to talk over a
Board of Appeals case - for a house right in
back of his own.

By no stretch of the imagination was that a

Pitted 'gainst Goliath.

(We hope the former frieth.)

legal Executive Meeting, but De Felice got away
with it-- and that is all that counts in his
way of thinking.

The next night, while the Appeal Board was
meeting to consider the cases before it, Mr. De
Felice again appeared in the Town Hall, to ar-
gue his side of the story.

The appellant did not know that Mr. De Fe-
lice was down in the Town Hall, arguing against
his case.

Mr. De Felice took up two hours of the Ap-
peal Boards time.

But, to Mr. De Felice, simply because he got
away with it, it was all fair.

It is too bad that Wilmington has to have
Selectmen with such a code of honor. Might
makes right, and power is everything!

Massachusetts 65 health insurance pays up to \$10,000 in major medical expenses

Mass 65 Major Medical pays beyond the benefits paid by most basic health insurance. It's designed to FIT ON TOP of a basic hospital-surgical plan. Its purpose is to help you meet the extra-heavy, possibly catastrophic costs of illness or an accident,—pneumonia, for example ... or a heart attack ... or a hip fracture ... or diabetes.

The blocks at the left show how Mass 65 would help you pay your bills if you had pneumonia and your expense came to \$1,815.

*If you are not covered by a basic plan, you may apply for Mass 65 Basic in addition to Mass 65 Major Medical. Mass 65 Basic is just what its name implies. It is basic protection intended to help pay hospital and surgeons' expenses before Mass 65 Major Medical takes over. It pays these costs, for example, in any calendar year:

- Hospital room and board expenses up to \$15 a day for 31 days
- Miscellaneous hospital charges up to \$150
- Surgeons' fees, according to schedule, up to \$300.

Example: Mr. X contracts pneumonia and is confined 20 days in a hospital where he requires a private duty registered nurse. He is later transferred to a convalescent hospital for 6 weeks. His total expenses for hospital room and board, doctors' fees, nurses' fees, oxygen and medications come to \$1815. Mass 65 Basic pays \$450. Mass 65 Major Medical pays \$1007. 12TH STRAIGHT WIN FOR WILMINGTON

BELLISSIMO CLEANS BENCH AGAIN

A smoothly clicking Wilmington High School football team crushed Billerica, last Saturday, 38 to 6, in a game that saw all of Wilmington's second and third string players on the field. The six points scored by Billerica was in the latter part of the game, with no Wilmington varsity players on the field.

Bevilacqua knocked down a forward pass.

When the ball was recovered by the Wilmington team it was another march up the field, with McLaughlin and Perdicaro, until a pass from Allard to Babine was intercepted. Again Billerica was unable to pierce the Wilmington defense -

OPEN THE LINE FOR THE CARRIER

Mike Farrell (29) and Dickie Allard clear the way for the ball carrier, in the second half of Billerica's game.

Billerica was unable to move the ball, even in the beginning play, as Hall, Fairfield and Gillis offered a solid defense which forced Billerica to kick, and a bad pass by the Billerica center enabled Huston to tackle the carrier on the four yard line.

In Wilmington's first touchdown it was Bowen who plunged through the line for a 4 yard gain at the goal line, and again Bowen who scored the conversion.

Then, with Wilmington ahead 8-0, Bowen recovered a fumble just after the kickoff - on the 40 yard line and runs by Bowen, Allard, and a 30 yard pass from Allard to Fuller in the end zone put Wilmington ahead 14-0, and again Bowen added 2 points in the conversion.

In the third kickoff from Wilmington Bowen brought down the Billerica carrier with a crushing tackle. Stout defensive play by Hall, Gillis and Bevilacqua, plus a 15 yard penalty forced Billerica to punt, and Frankie McLaughlin, who received the ball, carried it for 16 yards of fine broken field running, before being brought down, as the quarter ended.

Perdicaro carried the ball for a few yards in the beginning of the second down, after which Billerica intercepted a ball intended for Babine. Again the Billerica team was unable to get buy the Wilmington defense, this time Gillis, Cotter and Bevilacqua, and Billerica was forced to kick.

McLaughlin and Bowen carried for 5 yards apiece, and then Bowen raced through the Billerica team and scored after a run of 65 yards. Gillis threw the key block of the play.

The try for an extra point failed. Farrell kicked off again and tackles by Gillis and Fuller forced Billerica to pass. ON the third down

Cotter Hall and Huston, all of whom threw Billerica for losses while Gillis and Babine knocked down the forward passes, after which the ball went to Wilmington on a penalty.

Billerica recovered on a fumble on the first play, with Allard then intercepting a pass. Bowen made a 50 yard run, as the half ended 22-0.

Babine received the kickoff in the beginning of the second half and ran the ball back 30 yards, and for the first time the Billerica defense stopped Wilmington, after which Farrell got a beautiful punt. Billerica was penalized for roughing the kicker, which gave the Wildcats another first down, after which Bowen went 45 yards, on a tackle trap, with Farrell doing the blocking.

Perdicaro crashed through the line for 2 points, making the score 30 to 0.

Billerica's Bowie ran the kickoff back to the 45 yard line, and a pass from Pickowicz to M McLaughlin brought the ball to the Wilmington 45 for a 1st down, after which tackles by Fairfield and Masse, a knocked down pass by Frankie McLaughlin and a fumble

gave the ball back to Wilmington. The Wildcats marched down the field in a series of first downs with good runs by Farrell, McLaughlin and Bowen. After a 15 yard penalty Wilmington passed, with Fuller, with two Billerica men trying to stop him, catching the ball for 45 yards. Bevilacqua, now playing in the backfield, made a five yard gain, and then Bowen carried the ball over the line, in a 10 yard carry. A plunge by Bevilacqua gave Wilmington the conversion, and an overwhelming lead of 38 - 0. Wilmington's coach Bellissimo

cleaned the bench, sending in the JVs for practice, and again the Wilmington fans were treated to the spectacle of the JVs holding a Varsity team. There was good tackling by Page, Newhouse, Kelloway, Arnold and Kasabuski, but the JVs were unable to complete their passes. Billerica finally scored on a QB sneak by Pickowicz, but a pass for the conversion was in complete.

With two minutes to go the JVs offensive finally started to roll. With time running out Ritchie did some good passing, there were good runs by Lippiello and Emery

A GOOD REASON TO GO TO FOOTBALL GAMES

If the spectator gets tired of watching Jackie Bowen make touchdowns he can always gladden his eye by watching the girls in the Cheer Leader Squad.

L to R: Bonnie Coombs, Joan Bishop, Barbara Burnham and Capt. Ginnie Casey (in white).

THE JVS WON OVER BILLERICA 30 TO 6

Pat Lippiello was stopped short by Billerica HB Danny Durrazo, at the 15 yard line, in the last of the second half, Monday afternoon. The JVs played a good game, with Ritchie doing some fine kick-offs and Emery some excellent ball carrying.

IT IS NOT QUITE KENNEDY STYLE

With over 100 youngsters out for the Eighth Grade football, Coach Joe Beaton has a problem, in that he doesn't have enough uniforms for regular football playing.

Instead the youngsters are playing 'Rag Football'. Each wears a colored rag, tucked into his pants at the waist, and if it is pulled out by an opposing player it is the same as if he had been successfully tackled. The rag doesn't show in the picture, by Tommy De Felice, carrying the ball, was out of play a moment later, when the opposing team got their hands on it.
